Cry Too?

The Best Advice  
We Could Find

**10** For sweet-smelling feet  
Embarrassing foot odor is no longer an issue with **Certain Dri's Feet Microsponge Powder** (\$8), which you can apply to your tootsies and sprinkle into the soles of shoes. It leaves a protective film that blocks the formation of bacteria. It also fights smelly feet with five odor-eliminating ingredients and a light menthol scent.
